## *Get In on The Extra Fun!*

### The Sacramento Weekend Drivers Triple Win:

The object of this game is to pick one player from each flight, during a medal play tournament, add their net scores and the lowest total score wins. For a two dollar entry fee, you will be asked to pick one player from the Men's A flight, the Men's B flight and the Women's flight. At the end of the tournament the net scores from those three players will be added together to form a composite ticket score. The ticket with the lowest composite score will win the money in the pot.
