Each day's tournament is its own event with regular tournament prizes and contests available. For the casual golfer who does not wish to be involved in the club championship, one can play in just one of the two events, or even in both events – just for the fun of it. The casual golfer is still eligible for the regular tournament prizes (golf balls) for the closest to the pin and (cash) for the optional skins and money hole contests.

The line dividing the "A" flight and "B" flight for the men will be determined by our Handicap Chairman after receiving all the commitments for playing in the Championships. The two flights will contain equal amount of participants. If there is an odd number of participating men golfers, "A" flight will receive the extra participant. Casual players will not be a factor in this determination. They will play in the flight where their indices lie.

**The Tournament Director, Mr. Bill Fung, says there is still time for late signups for either tournament or the club championship. Just let him know right away!**

## *Get In on The Extra Fun!*

### **The Sacramento Weekend Drivers Triple Win:**

The object of this game is to pick one player from each flight, during a medal play tournament, add their net scores and the lowest total score wins. For a two dollar entry fee, you will be asked to pick one player from the Men's A flight, the Men's B flight and the Women's flight. At the end of the tournament the net scores from those three players will be added together to form a composite ticket score. The ticket with the lowest composite score will win the money in the pot. All ties will be divided evenly.
