New Sacramento Weekend Drivers Members!

First off, a great big WELCOME to our newest club members: Raymond (Ray) Olson and David (Dave) Rosenthal. When you see them or any new faces at our tournaments, be sure to introduce yourself and help them to feel welcomed into our club.

First Tournament of the Season, Saturday, February 24 Bartley Cavanaugh Golf Course, 8301 Freeport Blvd. Sacramento, CA (916) 665-2020

So, here we go for another fun year of golf! Have you brushed up your game? No matter, since we can rely on our group to work together for a good shot and score in the annual first tournament scramble. And for those who may want a brief reminder of how we play a scramble, here goes:

Each player hits a tee shot. The group determines the tee shot to use from which to hit the approach shot. Each player hits an approach shot from an area within one club-length, not nearer to the hole and within the same type of lie (fairway, rough, hazard, etc.).

On the green, after choosing which ball position to putt from, the ball should be marked behind, as normal, and then marked on the side. Each player putts from the same spot and marks if their putt is not holed. Remember, if a missed putt is immediately tapped-in before other players have putt, play for that hole is ended and the score, including the stroke for the tap-in, must be recorded.

- To reduce slow play, please decide quickly which shot, and which putting line, to use.
- Remember to turn in your team's scorecard!
