## *Sacramento Weekend Drivers 2007 Match Play Tournament Information*

To compete in the Match Play Tournament, each person must qualify in the March tournament held at the Haggin Oaks (MacKenzie) Golf Course. The fee for attempting to qualify is \$1 for each entrant. 15 contestants will qualify to play in the Match Play Tournament. The net score from each contestant in the qualifying tournament is used to rank tournament bracket seeding 2 through 16.

The defending champion is usually seeded 1st and plays the 15th qualifier (16th seed) in the first round of the Match Play Tournament.

After being seeded by net score, the qualifiers will be placed into the playoff bracket. Tiebreakers for ranking are (1) the player with the lower index being ranked higher and (2) a coin flip.

Each qualifier who commits to play in the match play tournament will pay a \$10 entry fee at the Match Play Tournament before the first round match. If a qualifier withdraws before he or she has paid the entry fee, the match will be a forfeit and the golfer who has withdrawn may be required to pay the \$10 entry fee. The Match Play Tournament Chairman (MPTC) has sole discretion to grant a waiver, for exceptional reasons, for payment of all, or any part of, the entry fee.

Matches will usually be played as part of regularly scheduled tournaments. Match play will use full course handicaps, adjusted for different tee's rating and slope, for each player based on their index for the month of the match. The players' net scores for a hole determine whether a hole is won or halved (tied). The match is won when a golfer is ahead by more holes than there are remaining holes to be played. If a participant is unable to compete in a match, he or she will forfeit that match.

If a match is played within a team format tournament, the match play participants may not ask for, or receive, advice from teammates. If a match is played within a medal play (stroke) tournament, match and medal play rules apply separately. All questions of possible rule infractions are to be submitted to the MPTC. Decisions will be made by the MPTC after an investigation of the incident and discussions with the SWD Rules Committee. If the incident involves the MPTC, the SWD Tournament Chairman will make the decision. If both of those people are involved in the incident, the SWD President will make the decision. Other issues will be decided by the MPTC or, if the issue involves the MPTC, the SWD Tournament Chairman.

Before the match play round begins, the MPTC will designate a hole or holes (up to a total of 3 holes depending on course availability, darkness, etc.) as "sudden death tie-breaker" holes. If still tied, the tiebreaker will continue at the next scheduled tournament with match play.

First prize will be \$100, a free entry and Number One seed in the following year's Match Play Tournament. Second prize will be \$50. Qualifying fees may be used to cover a withdrawal for
